

Enrolled Nurse

We are located in picturesque Healesville where our residents are able to enjoy the best of semi-rural, country style living. Our aim is to always provide the highest quality services so that your loved ones enjoy the quality of life they deserve.

About the role

The Enrolled Nurse will be responsible for the provision of a high standard of clinical care and service delivery to residents. Responsibilities will include but not be limited to the following:

- Coordination and supervision of Personal Care Assistants in the delivery of direct care of residents.
- Assist the RN to complete comprehensive and accurate nursing assessments for new and existing residents and contribute to the preparation of care plans.
- Assist the RN in ensuring the social, emotional, spiritual, cultural and recreational needs of residents are assessed and strategies to meet identified needs are documented in the care plan and outcomes evaluated.
- Ensure that all medical and or allied health professional directives are carried out as ordered and outcomes evaluated and documented, and report, document and action any incidents of non-compliance.
- Investigate any changes in the health or condition of residents or any complaints about care and report to the RN.
- Provide direct care to residents, demonstrating an understanding of contemporary clinical practice and acts as a role model for staff.
- Ensure that all clinical documentation is completed accurately and in a timely manner
- Administer medication in accordance with current legislation and policies, Facility policy and procedures

About you:

The successful applicant will have the following skills and experience:

- Previous experience in an Aged Care environment
- Excellent communication skills, both written and verbal including the ability to accurately interpret care plans.
- Ability to prioritise and manage workloads according to resident needs and work as a member of a multidisciplinary team and manage staff.
- Computer literacy with Aged Care software and Microsoft Office suite.
- Commitment to ensuring resident needs are always met by being available and reliable for all rostered shifts.
